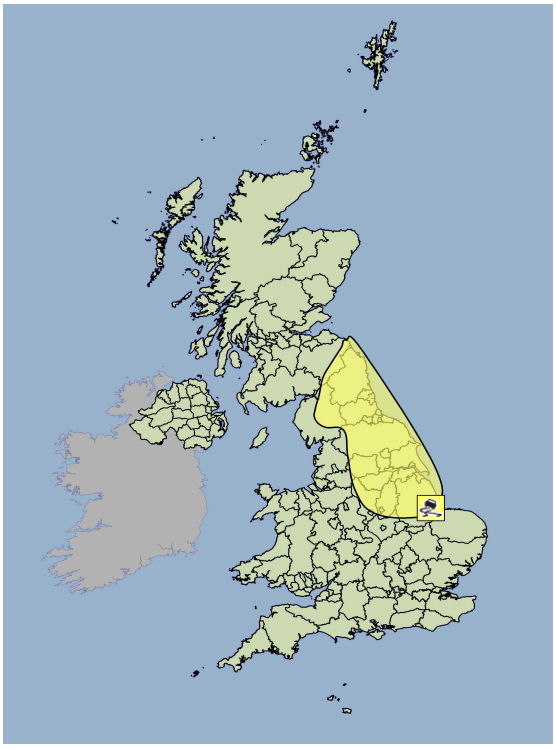
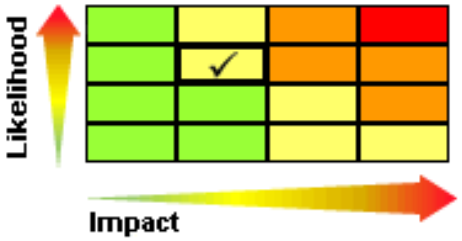
National Severe Weather Warning Service





Chief Forecasters Assessment
Clearing skies will allow temperatures to fall widely below freezing on Thursday evening. Ice is likely to form on untreated surfaces, especially where they are left wet from rain, or, in some areas, where lying snow partially thaws and then freezes again.

The Met Office have issued a **Yellow Warning** of **Ice**

Valid from **17:00 on Thu, 14th Jan 2016** until **10:00 on Fri, 15th Jan 2016**

Ice is likely to form on untreated surfaces on Thursday evening and night. Please be aware of the likelihood of some difficult driving conditions, especially on minor roads, and some slippery surfaces.
